

## Tailey Whaley: A Tale of a Whale with a Whale of a Tail

Bullies torment Tailey Whaley, a young whale, because he looks different. His tail is huge! In fact, he can clap it atop his head and fly. His mother stops the bullying: she leaves the pod and raises him alone. He grows up smart and brave. Years later they come upon the same pod of whales and see that they are all under attack by whale hunters. Everyone pleads for his help, even the mean whales. Tailey Whaley decides to help them, and he goes into action to save the whales, showing forgiveness, kindness, and tolerance toward those who were once mean to him.
