

# I Want to Pet the Ducks: Abey Goes to Washington (Childrens Books with Good Values)

Little Abey is a curious little guy who wants to know a lot about places and things. But more than anything, Abey loves animals and loves to pet them. In I Want to Pet the Ducks, the first installation of the Abey Adventures Series, Abey goes to Washington D.C. with his family and visits important American sites, including the Lincoln Memorial, the WWII Memorial, the Vietnam Veterans Memorial, and more. But after sightseeing for some time, Abey's attention is captured by ducklings. And off Abey runs! How did Abey's adventure turn out? Read the book and find out. You will not be disappointed!
