

Summary of the 7 Habits of Highly Effective People: By Stephen R. Covey Includes Analysis

The 7 Habits of Highly Effective People by Stephen R. Covey Summary & Analysis Preview: The 7 Habits of Highly Effective People is a self-help book that outlines seven skills to develop in order to increase efficiency and have more rewarding interpersonal relationships. Living according to the seven habits requires paradigm shifts that allow an individual to become flexible enough to change. One is the shift in associations when considering independence and interdependence. Independence, which is more valued by contemporary personality-driven trends, can cause problematic isolation and stifle cooperation. Interdependence describes a healthier approach that enables teamwork. The seven habits also require an understanding of the difference between production, or results, and production capacity, the processes that generate the results, neither of which can be prioritized at the cost of the other. The first three habits relate to private victories. First, people should restrict their efforts to the things that they can actually influence, and not waste energy on things that cause worry but cannot be directly controlled...
