

## The Bellmaker: A Novel of Redwall

More than four seasons have passed since Mariel the Warriormouse and the rogue mouse, Dandin, set off from Redwall in search of adventure, and Joseph the Bellmaker is worried. Where is his beloved daughter? Joseph's answer comes to him in a dream, and soon he's off, accompanied by the intrepid Finnbar Galedeep and the brave crew of the good ship, Pearl Queen, to save a kingdom and rescue Mariel. But what's behind the riddle in the dream? Can Joseph guess its meaning and find his daughter before the dreaded Foxwolf, Urgan Nagru, plunders the kingdom of Southward? Can this be the end of Mariel the Warriormouse? The momentous questions of this seventh epic in the Redwall series will hold a new audience of readers in its magical spell and captivate dedicated Redwall followers as well.
