

No Sailing Waits and Other Ferry Tales: 30 Years of BC Ferries Cartoons

Adrian Raeside has been drawing cartoons portraying the ferry fleet for over thirty years. From breakdowns, groundings, the Fast Ferry Fiasco, the Sunshine Breakfast, German-built ferries, the Million Dollar Man (David Hahn) and fuel surcharges, Raeside has covered it all in his unique style. The best of these hilarious and sometimes poignant cartoons are for the first time compiled into a book, a unique chronicle of our ferry fleet and a must-read for anyone who has ever endured a two-sailing wait at a ferry terminal.
