

## The Complete Sayings of Jesus (Forgotten Books)

Like the Jefferson Bible, this is an attempt to edit the four gospels into a consistent account, in this case focusing on the words of Jesus. There is plenty of connecting narrative around the instances where Jesus speaks, so this is better than simply presenting each quote out of context. The focus on what Jesus is attributed as saying makes it easier to browse the core texts of the New Testament. All in all, a very useful reference, and a great read. (Quote from sacred-texts.com) About the Author Jacob Bohme (1575 - 1624) Bohme was born in eastern Germany, near Gorlitz. He grew up as a Lutheran, and worked as a shoemaker in Gorlitz. Bohme had mystical experiences throughout his youth, culminating in a vision in 1600 that he received through observing the exquisite beauty of a beam of sunlight reflected in a pewter dish. He believed this vision revealed to him the spiritual structure of the world, as well as the relationship between God and man, and good and evil. At the time he chose not to speak of this experience openly, preferring instead to continue his work and raise a family.
