

The Crafty Zombie Pigmans Diaries Trilogy: (An Unofficial Minecraft Book for Kids Ages 9 - 12 (Preteen))

GENRE: Childrens Adventure (An Unofficial Minecraft Book for Kids Ages 9 - 12 (Preteen)) Book 1: No Ordinary Zombie Pigman The Zombie Pigmans have been known by Minecraft players for a very long time. Despite their odd and menacing look, the Zombie Pigmans never attack players on first sight, and only engage in combat if attacked first. Zek is a Zombie Pigman who was found by two humans right next to the Nether Portal that they both built next to their house. The couple decided to adopt this creature, even though the Zombie Pigmans and Humans have been battling each other in this server for many years. Zek grew up in a nice environment, being spoiled by his parents and enjoying a good life. But one day, this peaceful routine is changed: It seems someone is trying to come out of the Nether Portal, and the family is doing their best to stop these unwanted guests. The humans do not have any Diamond tools with them, making it impossible to destroy the Nether Portal in time before the creatures get into their world. Now, Zek has the mission to help his family protect their place in order to restore their peaceful lives. Book 2: Imprisoned Zek was adopted by two humans, Daryl and Mary, and lived his early days in peace and quiet. Unfortunately, Zek was not aware that the Zombie Pigmans and the Humans have been battling each other for many years. Despite this dispute, Zek's parents always wanted to have a peaceful life, and tried to raise their Zombie Pigman son in a safe place. But the Portal where they found Zek would also be their worst enemy. The Zombie Pigmans from the Nether came through the Portal and invaded the Overworld, taking the humans and Zek as their hostages. Now, the family is imprisoned inside the Nether under the Zombie Pigman Masters orders, and don't know how to escape. The Pigmans want to use the humans to their advantage in their battle against humans. They want

to take over the human city to keep the Overworld under their control. Book 3: Zombie Pigmen versus Human Zek the Zombie Pigman, his family and his human friends went to the Nether to rescue Ivy, who had been kidnapped after trying to settle things down with Master and her brother Ike. Inside the Nether, Zek had a plan to take the Zombie Pigmen out of their village and buy some time to rescue Ivy. Unfortunately, Master also had a new plan in mind and the group was trapped by his Wither Skeleton guards. But Zek and his friends were smarter than that Zek also had a plan B in case their plan dont work out. Master did not see that one coming, and he was caught off-guard by Zeks secret plan. After escaping from the Nether, the group knew Master would come after them. So now, they had two new plans: one of them would be to build a huge wall protecting the Portal preventing the Zombie Pigmen from crossing to the Overworld. The other plan was to find General Bert, the one who started the war between Pigmen and humans and ask for his help. Despite Lennys wish to maintain peace and not attack the Pigmen, the humans were cornered and had to resort to all of their available options in these times of need.
