

# The Everything Kids Space Book: All about Rockets, Moon Landings, Mars and More Plus Spacie Activities You Can Do at Home!

In The Everything Kids Space Book kids will learn not only about contemporary space heroes, but they will unlock the mysteries of Stonehenge and discover Oort Clouds, the Keiper Belt, and Planet X. We havent forgotten to include the Big Bang Theory, the Greenhouse Effect, Black Holes, Aliens -- wow, this book really does have everything! There are plenty of activities, like how to monitor space signals, make a safe rocket, and measure the moon! Its enough to make any child want to grow up to be an astronaut.
