

Great Carp Escape, The

Tadpoles, clams, and minnows?wow! For siblings Beth and Paul, growing up on a lake is fun... until theyre startled by a fishy find along the shoreline. When they discover the scaly, moustached carp, they become afraid.Seasons pass, and Beth and Paul avoid the swampy reeds at all costs?until a flood brings about a life-or-death situation for the creepy looking carp, right in their own backyard!With guidance from their father, will Beth and Paul be able to overcome their apprehensions about the carp and help save them before its too late?Acceptance of all of Gods creatures beautifully portrayed in this delightful story!?Henry K. Ripplinger, Bestselling Author, Pewter Angels.The Great Carp Escape truly captures the magic between children and nature. The story paints a beautiful picture of how all creatures on earth are God-given and shows how compassion shouldnt be based on popularity or defined beauty. This delightful and touching story carries such an important message of acceptance and simply joy. A pleasure to read and surely a popular addition to any childs home library. ?Illustrator Lisa Taron The Pet Blog Lady
