

Wind Dancers #3: The Horse Must Go On

Magical horses are surely talented, right? Then putting on a talent show should be fun and easy. Especially for Wind Dancers. But what happens when all but one of them cant dance? Readers can really let their imaginations fly with this magical new series based on Breyers beautifully-colored model horses, The Wind Dancers, four tiny horses with childlike personalities girls will readily identify with. Sure to begin an enduring love of horses.
