

## The Impossible Patriotism Project

Caleb's class is making projects that represent patriotism to display at Parents Night. Molly dresses up like the Statue of Liberty and Kareem draws a map of the United States. But Caleb can't think of a single way to show what patriotism means to him. Besides, his dad can't even come to Parents Night because he is far away, serving as a soldier. Then, when Caleb really starts thinking about his dad and what he is doing for the country, inspiration finally strikes! Here is a book that celebrates the men and women serving the United States in the armed forces today, as well as the families that give up so much to support them. First-time author Linda Skeers and Ard Hoyt, illustrator of John Lithgow's *Im a Manatee*, have created a classic story, full of warmth and humor, that will resonate with families all across the country.
