

The Kid Stays in the Picture: A Notorious Life

Robert Evans *The Kid Stays in the Picture* is universally recognized as the greatest, most outrageous, and most unforgettable show business memoir ever written. The basis of an award-winning documentary film, it remains the gold standard of Hollywood storytelling. With black-and-white photographs from the authors archive and a new introduction by the legendary actor, producer, and Hollywood studio chief Robert Evans, *The Kid Stays in the Picture* is driven by a voice as charming and irresistible as any great novel. An extraordinary raconteur, Evans spares no one, least of all himself. Filled with starring roles for everyone from Ava Gardner to Marlon Brando to Sharon Stone, *The Kid Stays in the Picture: A Notorious Life* is sharp, witty, and self-aggrandizing, and self-lacerating in equal measure. This is a must-read for fans of American cinema and classics of the canon, including *The Odd Couple*, *Rosemarys Baby*, *Love Story*, *The Godfather*, and *Chinatown*.
