

The Kindhearted Crocodile

Once upon a time there was a crocodile not just any old crocodile with big sharp teeth and powerful jaws, but a crocodile with the kindest of hearts that was gentle and sensitive, and dreamed of one day being a beloved pet in a happy family. Through the magic of a picture book and with an irrepressible desire to please, this ferocious-looking crocodile that tidies toys, washes dishes, and even fights monsters in bad dreams makes his own dream come true.
