(Best friend book) Its an - illustrated children picture book for Early reading And educational childrens books - teach kids basic skills :* values*helping others *good deeds (One of the best Kids books age 3 to 6) Here Is A Preview Of What Youll Discover... About Race Cars Inside.. The Kurious kid presents race cars is a 37 page book at the world of auto racing. The young racers will learn everything from how an engine works and what makes a race car and different from the car that long drive them to school in everyday, the young racers will also learn about the different types of tires that are chosen for race car and how they are made to be more aerodynamic (go faster). They will also learn what professional race car drivers have to do during their practice sessions, as well as the safety features that protect the race car drivers from being injured if they accidentally crash their car. The book will also teach the young racer about the history of racing, how it was started and how it has grown over the years to become an international sensation. They will learn all this and more with the kurious kid as their crew chief. This book is broken down into chapters so that the specific information about each type of racing is easy to find and understand there are full-color high-definition photos of each different type of race car at the beginning of each chapter, not only that but the photographs also show the different

parts that make up a high-performance race car these pictures will help the young racers to better understand what they are reading about. So that they can better retain the information they are reading, which will help their minds grow, and the gears of their imagination to turn. Aside from the history and the scientific information about all the different types of race cars, this spectacular little book is filled with all sorts of unique and interesting trivia questions that will keep the young racers brain active and allow them to quiz friends and family on all sorts of different aspects of racing and race cars these trivia questions help to make reading much more fun, which means that it is much more likely that the young racer will keep reading and abet their love of reading and education will continue to grow and be carried with them into adulthood. So that it can be shared by future generations of readers. You can never go wrong with a book by the kurious kid the information is always presented in such a way as to make it easy for the young reader to understand and appreciate what they are reading the kurious kid will always be there with them on every adventure ready to answer any of their scientific questions or inquiries and expand their imagination and critical thinking skills so that they can take on a task they choose.
