

The Meta-Rise (Bot Wars)

The thrilling sequel to Bot Wars, perfect for fans of Skylanders! Trout St. Kroix cant believe that his half-human/half-robot father is the leader of the Meta-Rise, the robot civil rights movement. Trout cant even enjoy being a Bot Territory celebrity, because it also puts his whole family in danger. Ratch, a robot and former friend, has found a way to take control of robot Thinkchips, and under Ratchs control, all bots including Trouts dad would become Ratchs drones. Can Trout and his friends Vee and Tellie Rix, along with brother Po find a way to stop Ratch before Trout loses his father all over again?
