

Dirt Movers (Crabapples)

Created by Bobbie Kalman, author of more than 180 bestselling childrens books, Crabapples are starter non-fiction books for primary students. Each entertaining book features fascinating, easy-to-understand information along with awesome full-color photos and illustrations on animals, sea life, machinery and many other subjects kids are curious about. They also contain the all-important glossary and index young students need to do reports. Features: -- Starter non-fiction for younger readers-- Large-size photographs and simple, easy-to-understand style-- A multitude of subjects that fascinate children Dirt Movers takes a close-up look at giant trucks in action and explains what they do with the help of detailed illustrations and exciting large-size photos. A helpful picture glossary helps children easily identify their favorite machines. Other topics include: -- their different parts-- what they do-- how a road is made layer by layer-- how concrete and asphalt are made
