

James Madison (Presidential Series)

This book is from the Presidential series that bring to life the Presidents of the United States. Readers will feel as if they really know these extraordinary-and at the same time ordinary-people. Each biography presents the childhood of the President and shows how the President was influenced by his early life. It also shows how he gained enough respect from his fellow citizens to be voted into the nations highest office. Important events and achievements of his presidency are also discussed. Students are motivated to think about how decisions made by each of these presidents have affected or will affect their lives! Black-and-white illustrations. Reading Level 5.0-5.5.
