

## Pocket Guides: Aircraft

Featuring superb, full-color photographs and illustrations, the guide captures the excitement of our conquest of the air and the fascinating world of flying machines. Back by popular demand, this series of information books for children ages 8 and over are the same handy size with a fresh new design. All the facts kids need to know about natural history, science, and history topics are in these information-packed little books. Also included are reference books everyone can use-dictionaries in English and Spanish, encyclopedias in key areas, a thesaurus, and a spelling dictionary.
