

## The Sandra Bullock Files: From Speed to Gravity

Who doesn't love Sandra Bullock? The star of Speed, A Time to Kill, The Proposal, and The Heat has been entertaining audiences for almost thirty years. Four of her six most recent films have accumulated more than \$1.5 billion dollars worldwide. She won an Academy Award for her performance in The Blind Side and was nominated again for her work in Alfonso Cuarón's Gravity. She's a true movie star, one who deserves a book about her varied and fascinating career.
