

## Mary, Mother of Carmel: Our Lady and the Saints of Carmel (Carmel in the world paperbacks)

Fr. Redemptus Valabek, here presents the story of Carmels particular devotion to the Mother of the Lord. Mary, Mother of Carmel, however, is not based merely on his love of what has been: it is solidly grounded in the here and now. He draws upon the past, to be sure, but only as a plateau from which he would lead us through the present and into the future. Fr. Valabek shows us the importance of Mary today: the Mary of the Bible, the Woman of Pentecost, the Mother of the Church. This work, to appear in two volumes, examines the early documents of Carmelite Order and the written reflections of Carmels brothers and sisters through the centuries to the present time.
