

## The Stick Book: Loads of Things You Can Make or Do with a Stick

while many projects have tangible payoffs a sun clock, musical percussion sticks, magic wands and charcoal pencils pleased both the boy and me each project seldom requires more than a page of description, even when providing actual learning opportunities within the fun. - Dallas News

The stick is a universal toy. Totally natural, all-purpose, free, it offers limitless opportunities for outdoor play and adventure and it provides a starting point for an active imagination and the raw material for transformation into - almost anything! As New Yorks Strong National Museum of Play pointed out when they selected a stick for inclusion in their National Toy Hall of Fame, It can be a Wild West horse, a medieval knights sword, a boat on a stream, or a slingshot with a rubber band ... In this book Fiona Danks and Jo Schofield offer masses of suggestions for things to do with a stick, in the way of adventures and bushcraft, creative and imaginative play, games, woodcraft and conservation, music and more.
