

## The Stinky Cheese Caper (And Other Cases from the ZPD Files) (Disney Zootopia) (Disney Chapters)

The modern mammal metropolis of Zootopia is a city like no other. Comprised of habitat neighborhoods like ritzy Sahara Square and frigid Tundratown, its a melting pot where no matter what you are, from the biggest elephant to the smallest shrew, you can be anything. But when optimistic Officer Judy Hopps arrives, she discovers that being the first bunny on a police force of big, tough animals isnt so easy. Determined to prove herself, she jumps at the opportunity to crack a case, even if it means partnering with a fast-talking, scam-artist fox, Nick Wilde, to solve the mystery. Boys and girls ages 6 to 9 will love this book of original stories based on Disney Zootopia, in theaters on March 4, 2016.
