

The Summer Fairy

Be ready for the last day of school with a children's picture book that tells the tale of the Summer Fairy, a magical pixie who bestows seasonal gifts to children on the first day of summer. This is a family tradition that's been celebrated for more than 30 years, and a fun way to remind children about summer safety. A collapsible, reusable flower vase is included in the back pocket of the book and inspires readers to leave a flower for the Summer Fairy.
