

The Spider With So Many Shoes

Ever Wonder if a spider wears shoes? Well guess what, this one does! Follow along with a little girl who meets the Spider With So Many Shoes and accompanies her on a shopping trip. What other fun things could come to be? About the Author: Originally from the East Coast, Susan moved to California with her mother and brother when she was five. In the sixth grade, a Arts and Crafts teacher led the assignment to write and illustrate their own story book and read it to the Kindergarten class. She fell in love with the writing process and continued with writing classes through high school and college. Working many years with children as a Pre-School teacher led her to write for young audiences and she plans to continue forward.
