

The Three Lost Kids & The Christmas Curse

We pulled, and the rope tightened, wrapping around Santa's feet and yanking him upside down to hang from our tree. What on earth? He shook and swung and tried to pull himself up, but his belly kept getting in the way. If we hadn't been so desperate, I would have laughed. When he saw us, he reached out. Kids, help me! I'm stuck. I kept my distance. I'm sorry, Santa, but we have to stop Christmas, and this is the only way.... Christmas every day sounds like the best thing ever to Bella and her sisters, but when a special Wishing Stone grants her heart's desire, The Three Lost Kids discover the curse hidden in the wish. Now they have to stop Christmas no matter what—even if that means ending up on Santa's Naughty List. Will the girls learn the true meaning of Christmas and find a way to break the curse? Or will they be stuck in their self-created Jingle Bells Nightmare forever?
