

The Very Fairy Princess Sparkles in the Snow

The Winter Wonderland Festival is just around the corner, and Gerry knows this is her moment to SHINE. Shes the most enthusiastic singer around, so shes certain her music teacher will choose her to perform the solo. She takes every opportunity to show him her VERY best voice-during rehearsal, during lunchtime, and even during recess. When a professional singer is given the solo instead, Gerry is crushed...but as the snow begins to fall, she finds a way to get her SPARKLE back! The mother-daughter team of Julie Andrews and Emma Walton Hamilton adds a sparkly seasonal story to their #1 New York Times bestselling series.
