

Earl The Earthworm Digs for His Life

The story about the coming of age of a simple earthworm captures the attention of the youngest reader and won't let go. From the first wiggle, Earl takes us deep into his world and together we explore his surroundings and learn about his connections to nature. Packed with colorful illustrations of bees, grasses and trees, the journey of Earl the Earthworm is as engaging as it is inspiring. To top it off, amazing footnote facts make this instant classic extra entertaining for any child.
