

## Tim Tebow A Promise Kept

Young sports fans who read football star Tim Tebow's story will be inspired by the challenges he has overcome on his path to athletic success. Author Mike Klis, sports columnist for the Denver Post, focuses on a pivotal challenge that confronted Tim Tebow in 2008. As Florida Gators quarterback, he galvanized his teammates and Gator fans everywhere with a rousing speech after the team's disappointing loss to Ole Miss. "I just want to say one thing. To the fans and everybody in Gator Nation, I'm sorry... . But I promise you one thing ... . You will never see any player in the entire country play as hard as I will play for the rest of the season. It was a promise Tim Tebow kept, as he went on to lead the Gators to ten successive victories. In language that will appeal especially to young readers, Klis tells Tebow's life story to date, from early school days, as young Tim overcomes his dyslexia ... his high school football experiences ... his college glory days with the Florida Gators ... the Denver Broncos making Tebow their first round draft choice ... and in 2012, his dramatic move to the New York Jets! Here's an exciting page-turner for young readers and an inspiring story for sports fans of all ages.
