

TIME For Kids Big Book of Where

TIME For Kids BIG Book of Where presents kids 8-12 years old with answers to the kinds of intriguing geography questions that appeal to their sense of curiosity. Colorful maps, spectacular photos and clear, engaging diagrams will help answer questions such as: Where is the tallest mountain?; Where did the Olympics begin?; Where is the Petrified Forest?; Where are diamonds found?; Where was the hamburger invented?; Where does spam go after you delete it? Kids will travel the world and their own backyards to learn about different customs, sports, history, and animals in each continent. Some questions will compare how some cultures differ. For example: Where do people sleep? Some cultures sleep in beds, others on the floor, some inside, some outside. TIME For Kids goes beyond just answering the question, and engages kids with thorough answers that will satisfy the most curious of kids. The BIG Book of Where is a must-have kids geography book.
