

Zack & Kiki's First Big Adventure: The Great Escape

Zack & Kiki are two baby parrots, born in the Belize Jungle in Central America. In this, their first of many adventures, Zack and Kiki are kidnapped by poachers and taken to a nearby village where they are destined to live out their life in a tiny cage, never to see their mother and father again. How will they ever escape? All proceeds from the sale of this book will directly support avian conservation projects at Belize Bird Rescue.
