

Toots Tour of India

Toots adventures in India really take off when he climbs aboard an elephant called Rohini for a tour around town. The two become fast friends after Toot shares his apple and water with Rohini. Later, to thank Toot for his kindness, she takes him to see the secret, sacred elephant pool where Toot meets all of Rohinis family. Toot is going to have an amazing story to tell when he arrives back home in Woodcock Pocket!
