

The \$25,000 Flight (Totally True Adventures) (A Stepping Stone Book(TM))

Can Charles Lindbergh set a world record? Follow Americas first superstar pilot in this high-flying Totally True Adventure. In the 1920s, flying was brand new and very dangerous. A \$25,000 prize for the first flight from New York to Paris went unclaimed for years. Many teams tried. And many teams failed. Still, Charles Lindbergh felt he had a shot at the prize. He wasn't famous. He wasn't rich. But he was determined. He'd cross the ocean in a tiny plane ... and he'd do it all by himself! After you've read the story, don't miss the bonus content with extra facts, a timeline, and more 20th century history, geography, and science-tie-ins!
