

Transportation Books for Kids: 3-in-1 Story and Coloring Book with Cars, Trains, and Planes

Transportation Books for Kids is a fun and engaging story book that allows kids to color the pictures of each story! This book includes 3 fun stories that feature cars, planes, trains, and many other big trucks and boats that kids love. Your children will love mimicking the sounds of trucks, police cars, and so much more. The first educational story: What Big Rig Did You Hear? will have your children playing along, while mimicking the sounds of helicopters, trains, and big trucks. The second story: Sammy the Snow Plow Saves Christmas tells the wonderful story of a snow plow who lives in Texas. All he needs is a snow storm to show his true potential! The third story: Trains, Planes, and Really Fast Things will have your child laughing and coloring along as you read about really fast cars and boats. We hope you and your children enjoy this unique 3-in-1 book from For Beginners Publishing.
