

## Trunk to Trunklet

This is a book about animal mommies and babies that is funny, lively, poetic, and deeply intriguing. The art was made using frottage, hand drawing, and computer techniques. The textures produced are deep and immersive yet immediate, drawing the reader into the rich visual world of the book. Jorge Lujan is a writer, musician, and architect who was born in Cordoba, Argentina, and lives in Mexico City, Mexico. He has published poetry, comics, and stories for children. Mandana Sadat is a French children's book author and illustrator. She lives and works near Paris, and she studied illustration at the School of Decorative Arts in Strasbourg. Her works have been published in France and many other countries.
