Why did Tilda go the wrong way? Tilda was the last turtle hatchling to climb out of the nest, but instead of going to the sea she climbed the steep path to the top of the sand dune. It was a dangerous path for a baby turtle. Learn about the dangers that face a tiny hatchling on this Sunshine Coast beach. Find out whether Tilda finds her way back to the sea and how she avoids becoming a turtle fritter for all the hungry creatures on the way.
