

I Love You... Unconditionally

Hard Cover Edition: For children 0 - 8 and perfect for snuggletime, I Love You... Unconditionally expresses the love of a parent for their child, no matter what, no matter where. Beautifully illustrated with endearing original oil paintings commissioned for the work, the book depicts Sandhill Cranes raising their chicks, from egg to leaving the nest, as the image of unconditional love. Educational text, and small images of the neighbors also living in the cranes habitat, complement the simple, heart-felt message. Soon to be a classic, I Love You... Unconditionally is a soothing reminder to children that they are loved, no matter what they do or how they might feel in any given moment. This book beautifully depicts in words and art our unconditional love for nature and those who live in it. It is a wonderful way to share that love with children! Jill Macek, Schlitz Audubon Nature Center. Also available in soft cover through Ingram and a special Gift Edition exclusive to boutiques.
