

You Silly Goose

George the mouse is a good friend of Emily the goose. And when Emily's goslings hatch, George is the first to visit. But George brings bad news--he has seen the fox! With wonderfully clean, appealing collage art, a graceful, deftly honed text, and a real plot that--for all its brevity and simplicity--has suspense and a satisfying denouement, [this is] another winner from the creator of *Mouse Count*.--Kirkus Reviews
