

Value Investing: A Value Investors Journey Through The Unknown

Finally! Lukas Neely lays out the path to mastery of value investing in an incredibly understandable, easy-to-read and enjoyable way. This book will benefit dyed-in-the-wool value investors and newcomers alike. Highly recommended! - John Mihaljevic, *The Manual of Ideas*

50% of book proceeds go to the Non-Profit Family Resource Center in Lukas home town (US Virgin Islands). Lukas Neely is a former Hedge Fund Portfolio Manager. He gave up his cush job to help individuals invest better. Plain and simple! You know how frustrating investing can be when you are trying to find great investment ideas and opportunities? He helps solve this.

Based on real world experience managing millions of dollars, extensive research, and one-on-one interviews with some of the top performing investing experts and minds in the world from Mitch Kovitz, Vitaliy Katsenelson, Jon Shapiro, and many more Lukas Neely has created a simple 5-step multidisciplinary blueprint that anyone can use to create investing success through value investing. Neely has a great way of using real world examples, case studies, and stories to illustrate even the most complex investing concepts making them simple and actionable. With expert advice on our most important value investing concepts and ideas, Neely is an advocate for the reader, dispelling the myths that often rob people of their success as investors. It's an investing checklist on steroids. Lukas Neely walks readers of every income level through the steps to becoming a successful investor by creating a lifetime investing plan: The 5M Mental Model on investing. This book delivers invaluable information and essential practices for getting your portfolio and investing situation in order. *A Value Investors Journey Through The Unknown* is the book millions of people have been waiting for. It's sure to be a best seller for years to come. Enjoy! :)
