

To The North (Vintage Classics)

Cecilia, capricious and unable to love, inches reluctantly towards a second marriage to the kind, passionless Julian Tower. Meanwhile, her sister-in-law, Emmeline, is surprised to find the calm tenor of her life disturbed by her attraction to the predatory Mark Linkwater. Markies appearance disrupts the lives of both women, but in the pain of misunderstanding, it is Emmeline who reveals her vulnerability in a violent and tragic act. Reissued alongside *The Hotel* and *The Little Girls*
