

VULTURE CAPITALISM - Profiting From Pain

VULTURE CAPITALISM There are true Vulture Capitalists operating in the world and they are the partners of the vampire capitalists. Vulture capitalists thrive on the economic remains of what has been destroyed by exploitive economic activity. Just like a scavenger in nature that survives by consuming carrion left over from kills or natural death, vulture capitalists thrive on financial destruction. VAMPIRE CAPITALISM: economic behavior under the umbrella of capitalism that consists of primarily financial based activities that are largely disconnected from actual capital goods creation and distribution resulting in wealth accumulation based upon economic displacement or destruction of institutional and/or individual wealth How it destroyed America
