

The Beautiful Bee Book (Beautiful Bug)

The Beautiful Bee book introduces children to the world of bees!

This unique reference guide offers children a hands-on experience up close and personal with a bee. This book explores the life cycle, development, and includes interesting features of this feared insect. Children can turn a wheel to see how a bee develops stage by stage, or lift a flap to see the workings inside a bee colony. The Beautiful Bee book also includes fascinating facts, interesting and unusual

features about bees, a glossary, and an index.

The Beautiful Bug series introduces young learners to the amazing species of butterflies, beetles, bees, and spiders in a fun, hands-on format. Beautifully illustrated these books feature simple text that young learners will understand. Plus, the hands-on format brings the subject matter to life!

A one-of-a-kind reference series that will captivate children! Collect all 4!
