

WebTutor(TM) Advantage on Blackboard Printed Access Card for Schnubels Todays Technician: Automotive Heating & Air Conditioning, 5th

Designed to accompany specific Delmar Cengage Learning textbooks, WebTUTOR is an eLearning software solution that turns everyone in your classroom or training center into a front-row learner. Blackboard and WebCT components are offered across all of our disciplines. Each Webtutor may include chapter learning objectives, online course preparation, study sheets, glossary flashcards, discussion topics, web links, and an online forum to exchange notes and questions. In addition online chapter quizzes are provided in various formats including, matching exercises, true-false questions, short-answer, and multiple-choice questions with immediate feedback for correct and incorrect answers. Multiple-choice questions also include rationales for right and wrong choices. Whether you want to Web-enhance your class, or offer an entire course online, WebTUTOR allows you to focus on what you do best, Teaching.
