

If You Love Me: Fiberoptic Light (Kids Play)

This series is composed of seasonal tie-in paperback storybooks with eye-catching art, incredible twinkling lights on the cover and music. One hundred percent recognition of these well-loved tunes guarantees children and adults can sing along while reading the words to the song in the book. Beautiful, lighthearted art depicts loveable animal characters performing the actions in the well-known song, If you love me and you know it. From penguins dancing, to hippos laughing, join in with the song and the actions with each adorable pair. Twinkling red lights on the cover and up-beat tune make this a perfect Valentines Day purchase.
