

The Ebook Ebook

There are lots of self-publishing options for authors, too many, in fact. This is why Michael Booths, The Ebook Ebook, is an invaluable resource for aspiring author/publishers. It guides them painlessly through the ins and outs of online publishing and marketing. Booth explains different options available to authors at every step of their e-publishing odyssey, revealing lots of useful insider information along the way. Booths research for The Ebook Ebook is as scrupulous as his writing is a pleasure to read. This is a book which will not only save author/publishers untold grief, but will give them a morale boost at the same time.
