

Where Would I Be in an Evergreen Tree?

This story-in-verse explores the beauty of the Pacific Northwest through the ecosystem of an evergreen tree. The trees life cycle is illustrated by the variety of plants and animals it supports. Andrea Gabriels pastel images — soft greens, mellow blues, and cozy browns — perfectly complement the gentle, informative text. Jennifer Blomgrens sensitive use of language — Its tender young needles sparkled with dew, / like jewels in the wind, as the baby tree grew — make the book appealing to both children and parents in any locale.
