

Whole Lotta Led Zeppelin: The Illustrated History of the Heaviest Band of All Time

Now available in paperback, this all-star tribute to one of the biggest rock n roll bands ever features glorious concert and behind-the-scenes photography from top names in rock photography, from their first 1968 show as Led Zeppelin through the 2007 reunion. Also included are more than 200 rare concert posters, backstage passes, tickets, LPs and singles, T-shirts, buttons, and more from the United States, UK, Canada, Germany, France, and Japan, all comprising a book as epic as the band it honors. And if that's not enough, top American and English rock journalists from Rolling Stone, Creem, Billboard, cover every Zeppelin LP in depth, while some of rock's top performers reflect on the band's legacy. An appendix features the complete discography.
