

Why Cant My Life Be a Summer Vacation? (Early Teen Devotionals)

Deep down we expect first-class accommodations on our journey as a Christian posh hotels, fast cars, and discount tickets to all the big attractions. So when things go wrong, it feels as if weve been booked on a nightmarish trip with a fourth-class travel agency. Questions start to pour in: Why wont God fix my problem now? When will God roast the people whove hurt me? Where is God when I feel like a reject? Youre Not Alone. Even the best of believers wonder where God is when trouble hits. When God doesnt jam His hand into your life and immediately fix your problems, you might think Hes left you to fend for yourself. He hasnt. God is smack in the middle of your problem feeling what you feel, hurting alongside you. God will make sure that even if you fight the flood and feel the heat, you wont be overwhelmed. Heres reality: Life hurts. Heres bigger reality: God keeps promises. Thats what these devotional readings are all about giving you the tools to battle lifes obstacles, helping you determine goals and pursue Gods best for your life. So if youre waiting for a summer vacation, life is passing you by!
