

Looking for the Easy Life

Lifes pretty good on Monkey Island. All day long, the monkeys sit around talking their monkey talk and enjoying their big-time monkey dreams. That is, except Oswego Pete, who is one slick monkey. Hes bent on finding the Easy Lifea place where a monkey never has to bend all out of shape for a banana, or do any hard work, ever. Is it where the high grass grows at the foot of the mountain? Or down by the seaside? Uh-Huh Freddie, the Chief Monkey, says easy isnt always good, and a little hard works not always bad. Whos right? You will learn how to find the Easy Life in this witty adventure from popular author Walter Dean Myers and artist Lee Harper.
