

Willow Buds #2: When Toady Met Ratty (No. 2)

Inspired by the perennial classic *The Wind and the Willows*, this picture book series features Toady, Badger, Ratty, and Mole as young buds discovering the true meaning of friendship. In this story about the challenges of sharing a friend, Badger introduces Toady to his other friend, Ratty. Pampered Toady and nature-lover Ratty don't exactly hit it off, and both are jealous of the others' friendship with Badger. But after a trip to the carnival where Badger needs help from both pals, they can see that three doesn't always have to be a crowd!
