

TIME For Kids Book of WHAT: Everything Space

TIME For Kids The Book of What: Everything Space presents kids 8-12 years old with answers to the kinds of intriguing questions that appeal to their sense of curiosity. Colorful graphics, spectacular photos and clear, engaging diagrams will help answer questions such as: What is acid rain? What is the biggest star in the universe? What is the driest place on Earth? What is the difference between a comet and an asteroid? TIME For Kids The Book of What: Everything Space is a must-have book to satisfy the most curious of kids.
